

2021 PREPARATION

Welcome to 2021! It's a year of HOPE. Hope things will normalise so that we succeed in our teaching and learning endeavors. Preparation is the key. We should be having the the resources like the revised Annual Teaching Plans, text books, past exam papers, calculators, phones and data among others. Let us have learning platforms available to us like radio,TV,whatsapp etc and timetable available for such activities. Teamwork is key in teaching and learning during this Covid 19 period,as such let's create groups where we share problems, solutions and other ideas. The time to start seriousness is NOW. Above all, Stay Safe, Maskup, Sanitise and Social distance. We will make it. GOOD LUCK!
