

**To: Subject Advisors**

**: Teachers**

**: Parents and Caregivers of NS Tech Learners**

**Topic:** Consolidation of previous term work and planning for next term

**Message Objective(s):**

- To reflect and consolidate the work covered in Term 3
- To plan for Term 4 work

Holidays are the perfect time for resting and hanging around with family and friends. However this is the time to reflect, consolidate and plan for work ahead.

Firstly, caregivers/parents can engage learners by discussing the following questions:

- What did I find easy to do this term?
- What did I find difficult?
- Did we cover the work set for the term?
- Do I still remember some of the concepts learnt?
- How best can I catch up on any work not covered?
- What will I do differently next term?

The use of resources such as **learners' books, textbooks, Revised ATPs, Planners and trackers** can be useful. Take notes on the observations made and allow the learners to take notes as well.

Secondly, create a planning sheet with the learners with the following guides;

**Three things I want to achieve in Term 4**

- 1.
- 2.
- 3.

**To achieve these things I plan to;**

- 1.
- 2.
- 3.

**My motivation in doing these things is**

- 1.
- 2.

Remember these activities are centred on learners, they should be fun, practicable and easily enjoyable.
