Good day everyone

Our focus for the next cycle is on **Similes**.

A **simile**:

- is a figure of speech that directly compares two different things in an interesting way.
- uses the words **“like”** or **“as”** to draw a comparison e.g. **As black as coal.**
Soar like an eagle.
- Similes are used by authors, poets and songwriters to emphasize the message they are conveying.
- In everyday speech, they can be used to convey meaning quickly and effectively.
- Can be funny, serious, mean or creative.
