

To: FET Mathematics SAs, parents, teachers and learners

Topic: Reboot; support beyond the classroom

Message Objective(s):

1. To improve pass rates at FET Mathematics
2. To enable teachers, parents, and learners to prepare themselves for Trial examinations.

I hope you gained a lot during the 2022 Winter School Holiday Programmes across the country which ran from 27 June 2022 to 18 July 2022. You had time to consolidate all that was done in Term 1 and 2. It is always good to share ideas and teachings from other colleagues and friends as we move together in achieving the NDP goal, 90% of learners passing Mathematics with 50% or more.

It is time again to avail some of the platforms and links that assist us in learning and getting support beyond the classroom. It gives us variety and more information that will assist us in our Trial and final examinations.

There are some digital and non digital platforms that I am going to share links so that you can visit and complement what you would have learnt at school in preparation for your examinations.

Platform	Programmes	links
Television	Tswelopele and Woza Matrics revision lessons	24-hour DBEtv on OpenView, Channel 122.
Internet	Tswelopele and Woza Matrics YouTube Channels,	https://www.youtube.com/user/2enableorg https://www.youtube.com/c/WOZAMATRICS
Radio	Tswelopele and Woza Matrics websites	https://www.tswelopele.org.za/ https://www.wozamatrics.co.za/
Mobile Applications	Siyavula	https://www.siyavula.com/
	Matric live	https://www.matriclive.com/home
	Velle	https://www.velle.co.za/
	MTN online school	https://www.mtnonlineschool.co.za/login
	2Enable App	https://www.2enable.org/
Social media campaigns	Facebook	@TswelopeleSA; @Woza Matrics
	Instagram	@TswelopeleSA; @Woza Matrics
	Twitter	@TswelopeleSA; @Woza Matrics

In addition to the above links and handles. Teachers, learners and parents can visit NECT website to access videos and other materials for teaching and learning like lesson plans.

I hope you will make use of the links and platforms as we gear up for our examinations. Variety is the spice of education! All the best.
