

# PLANNER & TRACKER FOR RECOVERY ANNUAL TEACHING PLAN (ATP)

**NATURAL SCIENCES**

**GRADE 8 TERM 1**

Helping teachers and learners to catch up with learning losses, master new content and acquire skills for the future.

- Please note that a Natural Sciences structured learning programme that includes daily lesson plans and classroom resources is available for download from [www.nect.org.za](http://www.nect.org.za)
- This is a zero-rated website, so there are no data costs for downloads.
- This document can be used independently of the structured learning programme.
