# Introduction

This resource pack has forty numbered daily activities for classwork and homework. The activities correspond to the activities in the lesson plans. The daily lesson should be followed by classwork and then homework.

Answers to the activities can be written in this book.

These resources are bilingual. We hope that presenting the activities in two languages will help learners to learn the maths words in both their home language and in English. This will equip them for lifelong learning of maths.

If learners work systematically through these maths activities, they will cover the whole curriculum. Hopefully these activities will be a fun way to help them acquire this maths knowledge.

# Intshayelelo

Lo mqulu wemisebenzi yabafundi, unemisebenzi yemihla ngemihla engamashumi amane eneenombolo, elungiselelwe imisebenzi yaseklasini neyasekhaya. Le misebenzi ihambelana nemisebenzi ekwizicwangciso zezifundo. Iimpendulo zale misebenzi zingabhalwa apha encwadini.

Le miqulu ibhalwe ngeelwimi ezimbini. Siyathemba ukuba ukusebenzisa iilwimi ezimbini kuya kubanceda abafundi bafunde amagama emathematika ngolwimi lwasekhaya isiXhosa nangesiNgesi. Ukwenza njalo kuya kubaxhobisa bakulungele ukufunda imathematika ubomi babo bonke.

Ukuba abafundi bathi gqolo ukwenza imisebenzi yabo yemathematika, baya kuyigqiba yonke ikharityhulam. Siyathemba ukuba le misebenzi ilapha iya kuba yindlela enoyolo yokubanceda ekufumaneni ulwazi lwemathematika.

### FRACTIONS

### AMAQHEZU

1 Write the fractions in the correct place on the number lines.

Bhala amaqhezu endaweni echanekileyo kumgcamanani.

|   |               |           |               |  | Which fraction is smaller?<br>Leliphi iqhezu elincinci? |

| b | $\frac{4}{5}$ | and<br>ne | $\frac{5}{5}$ |  |   |
| c | $\frac{2}{8}$ | and<br>ne | $\frac{4}{8}$ |  |   |

2 Calculate:

Bala:

a  $\frac{2}{5} + \frac{1}{5} = \underline{\hspace{2cm}}$

b  $\frac{3}{6} + \frac{2}{6} =$  \_\_\_\_\_

c  $\frac{7}{8} - \frac{3}{8} =$  \_\_\_\_\_

d  $\frac{9}{10} - \frac{7}{10} =$  \_\_\_\_\_
