Introduction

This resource pack has forty numbered daily activities for classwork and homework. The activities correspond to the activities in the lesson plans. The daily lesson should be followed by classwork and then homework.

Answers to the activities can be written in this book.

These resources are bilingual. We hope that presenting the activities in two languages will help learners to learn the maths words in both their home language and in English. This will equip them for lifelong learning of maths.

If learners work systematically through these maths activities, they will cover the whole curriculum. Hopefully these activities will be a fun way to help them acquire this maths knowledge.

Manghenelo

Buku leyi yo dyondza ha yona yi ni mgingiriko ya siku ni siku ya makumemune leyi nomboriweke ya ntirho wa le tlilasini ni wa le kaya. Mgingiriko leyi yi fambisana ni mgingiriko leyi nga eka makungu ya tidyondzontsongo. Tidyondzontsongo ta siku ni siku ti fanele ti landzeriwa hi ntirho wa le tlilasini ivi ku landzela ntirhokaya.

Tinhlamulo ta mgingiriko leyi ti nga tsariwa laha bukwini.

Switirhiswa leswi swi tsariwe hi Xitsonga ni Xinghezi. Ha tshemba leswaku ku tsala mgingiriko leyi hi tindzimi timbirhi swi ta pfuna vadyondzi ku dyondza marito ya matematiki hi ririmu ra manana ni hi Xinghezi. Leswi swi ta va hlomisela ku dyondza matematiki ni le nkarhini lowu taka.

Loko vadyondzi vo dyondza hilaha mgingiriko leyi yi hleriweke hakona, va nga hlanganisa kharikhulamu hinkwayo. Ha tshemba leswaku mgingiriko leyi yi ta va madyondziselo yo tsakisa yo va pfuna ku dyondza vutivi bya matematiki.

The diagram consists of two horizontal black lines. Three vertical dashed lines intersect these lines. The top dashed line passes through the first and third intersections. The bottom dashed line passes through the second and third intersections. At the top intersection of the top dashed line and the top solid line, there is a large capital letter 'T'. At the rightmost intersection of the top dashed line and the top solid line, there is a large capital letter 'O'. At the rightmost intersection of the bottom dashed line and the bottom solid line, there is a large capital letter 'O:'. At the rightmost intersection of the bottom dashed line and the top solid line, there is a large capital letter 'T:'.

$3 \quad 81 - 78 =$

The diagram consists of four lines: two vertical dashed lines and two horizontal solid lines. The top dashed line has a 'T' at its top and an 'O' at its right end. The bottom dashed line has an 'O:' at its right end and a 'T:' at its bottom.
